What is eKYC?

According to the Reserve Bank of India (RBI) website, "Digital KYC" is done by capturing live photo of the customer and officially valid document or the proof of possession of Aadhaar, where offline verification cannot be carried out, along with the latitude and longitude of the location where such live photo is being taken by an authorised officer of the Regulated Entities (RE)."

Punjab National Bank (PNB) has urged customers to update their Know Your Customer (KYC) details by March 26, 2025, in line with Reserve Bank of India (RBI) guidelines.

This applies to accounts due for KYC updation as of December 31, 2024.

Customers can update KYC details by providing identity proof, address proof, a recent photo, PAN/Form 60, income proof, and mobile number (if not available). They can submit the details at a PNB branch, through PNB ONE, Internet Banking Services (IBS), or via registered email/post to their base branch.

Failure to update KYC may lead to restrictions on account operations. Customers can visit the nearest PNB branch or check the official website for assistance, the lender said.

PNB has warned customers not to click on links or download files from unverified sources for KYC updates.
