- In terms of RBI circular no. DBR.No.BP.BC.1/21.06.201/2015-16 dated 01.07.2015 read together with RBI circular DBR.No.BP.BC.80/21.06.201/2014-15 dated March 31, 2015 banks are required to make Pillar 3 disclosures including leverage ratio & liquidity coverage ratio under BASEL III capital regulations. - 7 During the quarter ended 31st March 2018, a fraud was detected at Brady house Mumbai Branch involving certain accounts under Gems & Jewellery sector amounting to Rs. 14356.84 crores wherein RBI vide their letter no. 8720/21.04.132/2017-18 dtd 28.03.2018 had given dispensation to the Bank to make provisions against the fraud @ 25% without debiting "Other Reserves" in the quarter ended 31st March 2018 and to provide remaining amount during first three quarters of the ensuing financial year. However, Bank had made higher than required provisions @ 50% amounting to Rs 7178.42 crore upto 31.03.2018. Further, Bank has made provision of Rs.1863.46 crores during quarter ended 30.06.2018 making the total amount of provision more than required by RBI. The remaining provision will be made during the next two quarters of the current financial year as per terms of RBI's dispensation.
- 8 RBI vide its circular dated April 2, 2018 and dated June 15, 2018 permitted banks to spread provisioning for Mark to Market (MTM) losses on investments for the quarters ended December 31,2017, March 31, 2018 and June 30, 2018 equally over the four quarters. The bank had calculated MTM losses in all the securities held in AFS and HFT for the quarter ended December 31, 2017 and March 31, 2018 amounting to Rs. 2787.06 crores out of which Rs. 1829.70 crores related to certain securities held in AFS and HFT for which the bank exercised the option to spread to four quarters, consisting of Rs. 741.42 crores charged to the profit & loss account and Rs. 1088.28 crores spread over the subsequent quarters and the balance amount of Rs. 957.36 crores relate to MTM losses where the bank did not exercise the option of spread. Pursuant to RBI clarification dt 16.07.2018 to IBA that the option to spread provisioning for MTM losses is available for entire investment held in AFS and HFT portfolio, the bank decided to avail the benefit of spread over of MTM losses on the entire investment equally in the four quarters from the quarter ended December 31, 2017 and thus recalculated the amount to be charged to the profit and loss account in the quarters ended on December 31, 2017 and March 31, 2018 and the amount to be deferred to subsequent quarters. The MTM losses ought to have been charged for the quarters ended 31st December 2017 and 31st March 2018 are Rs. 965.18 crores as against Rs. 1698.94 crores already charged to profit & loss account in the quarters ended 31st December 2017 and 31st March 2018, thus resulting into an excess provision of Rs. 733.76 crores. The additional provision for MTM losses on all the investments in AFS and HFT required for the quarter ended June 30, 2018 is Rs. 724.63 crores, thus resulting into a net write back of Rs. 9.13 crore in the profit & loss account for the quarter ended 30th June, 2018 and the remaining MTM losses of Rs. 1208.71 crores have been deferred to the subsequent three quarters.

"LIMITED REVIEW REPORT"

To

The Board of Directors,

Punjab National Bank

New Delhi

1. We have reviewed the accompanying statements of unaudited financial results ("Statements") of Punjab National Bank (the "Bank") for the quarter ended June 30, 2018. The disclosures relating to "Pillar 3 under Basel III Capital Regulations" as have been disclosed on the Banks website and in respect of which a link has been provided in the aforesaid Statements have not been reviewed by us. These statements are the responsibility of the Bank's Management and have been approved by the Board of Directors. Our responsibility is to issue a report on these interim financial statements based on our review.
2. We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to making inquiries of the Bank personnel and applying analytical and other review procedures to financial data and thus provides less assurance than an audit. A review is substantially less in scope than an audit conducted in accordance with the Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
3. The Financial results incorporate the relevant returns of 20 Branches reviewed by us, one foreign branch reviewed by local auditors specially appointed for this purpose and unreviewed returns in respect of 5356 branches which include two foreign branches. In the conduct of our review, we have taken note of review reports in respect of non-performing assets submitted by external concurrent auditors (including retired employees of the Bank) of 784 branches, in-house concurrent auditors of 838 branches to the Bank Management. These review reports cover 77.44% (of which 49.37% has been covered by us) of the advances portfolio of the bank (excluding the advances of asset recovery branches and outstanding food credit) as at June 30, 2018. Apart from these review reports, in the conduct of our review, we have also relied upon various information and returns received from un-reviewed branches/other offices of the Bank and generated through centralized database at the Bank's Head Office.

4. Based on our review conducted as above, subject to limitation in scope as mentioned in Para 3 above, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited interim financial results together with the notes thereon, prepared in accordance with applicable accounting standards and other recognized accounting practices and policies, has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement or that it has not been prepared in accordance with the relevant prudential norms issued by the Reserve Bank of India in respect of income recognition, asset classification, provisioning and other related matters.
5. Without qualifying our conclusion as above, we draw attention to:
- Note no 7 regarding Provision amounting to Rs1863.46 crores in respect of Fraud involving certain accounts under Gems & Jewellery sector as per dispensation given by the Reserve Bank of India vide their letter No. 8720/21.04.132/2017-18 dated 28.03.2018.
 - Note no 8 regarding the recalculation of Mark to Market (MTM) losses charged to the Profit & Loss Account in the quarter ended 31st March 2018.
 - Note no.10.regarding appropriation of Recovery in an account referred to National Company Law Tribunal (NCLT) on the basis of legal opinion where Appeal is pending before the National Company Law Appellate Tribunal (NCLAT).
