Trend in GST Collections in Rs crore

Note: Press Information Bureau

Views:

- GST collections have remained robust on the back of economic growth and various measures being taken to enhance tax base.
- Authorities at various levels have been strict with the reporting requirements that increased the government's oversight of economic activities and aided in improved compliance.
- Going forward, it is expected that the collections may continue to see an uptick and will be averaging around Rs1.5-1.6 lakh crore.
